Re: U.S. v. James Patten, Peter Coker, Sr., & Peter Coker, Jr., Crim.  
No. 22-643 (CPO)

Dear Judge O'Hearn:

The parties in the above-referenced case have continued to meet and confer on a regular basis. The parties have been engaged, and continue to engage, in discussions to resolve the case without a trial.

The parties are of course cognizant of the strictures of Federal Rule of Criminal Procedure 11(c)(1). With that Rule in mind, the parties are mindful not to apprise the Court of the substance of their discussions, but can represent to the Court that a modification of the current scheduling order would facilitate the parties' ongoing efforts.

Accordingly, enclosed please find a joint proposed Order modifying the current pretrial schedule.

Respectfully submitted,

Philip R. Sellinger
